

## Job Posting

### Senior Project Manager at Isherwood Geotechnical Engineers (WEST OFFICE)

We are looking for the right person to join our Vancouver Team - Someone who can help strengthen our small team and our Lower Mainland market. A person who wants to support the team managing technical projects, become a social member of our team and delight clients while forging our shared future.

### The Person We Are Looking For

We are looking for an **experienced Project Manager** who is open-minded and flexible to learn the ways we do business. Your role is flexible to suit the needs of the team, but the focus will be on providing high-value, technical project management to our clients and internally to our team. You are a self-starter who appreciates some autonomy to carry out your work and would be excited to collaborate and engage the resources of our Toronto office. You have the self-awareness to understand your limitations and know how to ask for and accept support when needed. You have excellent communication skills – both verbal and written are essential. Our clients include contractors and developers across Canada. Listening to project team members (design engineers, CAD specialists, field specialists, legal & financial/invoicing) internal and external, is the key to delivering the services and support they require.

As a **Senior Project Manager** at Isherwood, you will work on a wide variety of geotechnical projects across Canada.

### About You

- You have at least 5 years or as much as a lifetime of experience in project management
- You appreciate great design – solving puzzles captures your imagination
- You are down to earth, versatile, practical, and a natural collaborator
- You have excellent communication skills
- You love giving good service
- You are a 'People Person,' delighting in what can happen when trust and respect are revered
- You have natural ease with problem solving and an optimistic outlook
- You think working for a small, vibrant boutique engineering company sounds like tons of fun

### About the Team

Since 1972, Isherwood has grown to a staff of over fifty people including professional engineers, EITs, project managers, a geologist, field technicians, CAD technicians, as well as business, legal, safety, and support personnel. We believe that slow, careful growth can ensure we keep our integrity and place in the market as a high-end firm. Our employees are passionate about what they do and are dedicated to providing clients with top-tier service by contributing expertise from a variety of backgrounds, and by

cultivating a teamwork-focused, hands-on approach to solving problems. For 10 years, our office in Burnaby has been slowly gathering knowledge and learning about the Lower Mainland's challenging ground conditions, local convention, and best practices through projects with our small client partnerships.

### **About the Company**

Isherwood specializes in geotechnical engineering for new and restoration projects in Toronto, Vancouver Lower Mainland, and throughout Canada. Formed in 1972 by Brian Isherwood, Isherwood provides superior value to our clients, rooted in a heavy focus on personalized service, constructability, and high-quality field review. We are a collegial organization with little hierarchy and have a unique culture that sees people first and allows for open and honest communication.

*"For me, Isherwood Associates represents a workplace respectful of people with diverse beliefs, opinions and cultures, a workplace flexible to employees' needs, a workplace which stresses the values of family, and fosters relationships between colleagues, clients, and the public at large."*

*- Nadir Ansari, President*

### **About the Location**

We are located at 300-1901 Rosser Avenue in Burnaby, BC.

### **What We Offer:**

- Competitive salary commensurate with experience
- 3 weeks starting vacation, plus 1-2 weeks Christmas break
- Up to 10% of your working hours earmarked for educational opportunities
- Health, Life, and Accidental Death & Dismemberment insurance
- Health Care Spending Account or cash top-up based on your selection

### **How to Apply**

When considering new hires, our priority is to find out if we are a good fit. *Good fit* means we see a match in terms of need and passions from both sides. *Please tell us more about yourself by visiting our website [isherwood.to/careers](http://isherwood.to/careers) and filling out our application form. We appreciate your time and effort and are excited to get to know you.*
